I am so excited as we head into 2022 and look at the year in front of us, so full of hope and possibility. I want to just take a few minutes to share with you the curriculum that I will be teaching the youth group on Tuesday nights

throughout 2022. There will be continuity this year as the youth are encouraged to read the Bible each day along with the adults from the "Daily Bible Readings and Prayer Book."

The teachings will coincide with our readings. One Tuesday a month we will be delving into an in-depth study of Genesis. We will be using a video series called, "Elements." This series focuses on how God and science are not contradictory, rather science confirms what God revealed in Scripture. Two Tuesdays a month we will be teaching on the Gospels. We will be starting with the Gospel of John, (just like Pastor Brian on Sundays). The focus will be on who Jesus is and what Jesus did for us.

One Tuesday of each month we will be doing a series called, "This Too God." While we are spending

three weeks learning who God is - it is extremely important to spend at least one week each month focusing on how this 'knowledge' of who God is should actually change how we live our lives. God loves us exactly the way we are, and yet when we give our lives to Him he begins changing us and transforming us into the image of Jesus. This process, Sanctification, requires us to actively give God every area of our life. He does not take it from us, he waits for us to willingly give it over to Him.

We give God our time, our money, our resources, our hobbies and talents and our thoughts. We give him everything and as we hand it over with Thanksgiving we say, "This Too God!"

January 28-30, 15 of us (4 leaders, 11 teens) went to Deep Freeze Winter Camp at Berea. We had a FANTASTIC time! We'll be sharing our stories in church on Sunday, February 13th. Thank you so much to all of you who helped us get there! Your donations helped 7 of the kids be able to experience an amazing weekend!
